22 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention  
23 hereafter set forth, finds that no condition or combination of conditions which the defendant

## DETENTION ORDER

PAGE -1-

1                   FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

2                   (1) There is probable cause to believe the defendant committed the drug  
3                   offense. The maximum penalty is in excess of ten years. There is  
4                   therefore a rebuttable presumption against the defendant's release based  
5                   upon both dangerousness and flight risk, under Title 18 U.S.C. §  
6                   3142(e).

7                   (2) Nothing in this record satisfactorily rebuts the presumption against  
8                   release for several reasons: Using the factors below, under Title 18 §  
9                   3142 (g), the Court considered the following:

10                  (a) The alleged offense involves 100 kilograms or more of a  
11                  controlled substance mixture containing marijuana.

12                  (b) Defendant's prior criminal history includes intimidating a witness.

13                  (c) Defendant is a citizen of Vietnam and the information provided  
14                  regarding his status is unverified; the Bureau of Immigration and  
15                  Customs Enforcement ("BICE") has placed a detainer against  
16                  defendant.

17                  (d) Unstable employment history.

18                  (3) Based upon the foregoing information, which is consistent with the  
19                  recommendation of U.S. Pre-trial Services, it appears that there is no  
20                  condition or combination of conditions that would reasonably assure  
21                  future Court appearances and/or the safety of other persons or the  
22                  community.

23                  **It is therefore ORDERED:**

24                  (1) The defendant shall be detained pending trial and committed to the  
25                  custody of the Attorney General for confinement in a correction facility  
26                  separate, to the extent practicable, from persons awaiting or serving

sentences or being held in custody pending appeal;

- (2) The defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which the defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
- (4) The clerk shall direct copies of this order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United States Pretrial Services Officer.

DATED this 11<sup>th</sup> day of September, 2006.
